Burke Bentley's decision to quit the hospital and go into practice with his brother was the best decision he'd ever made. With the daily pressures gone, he could do what he loved to do most —be a doctor. Piper Cordale, Pip to her friends, just wanted to bust her friend out and go. She didn't handle people well and needed to be on her way, but fate had other things in store for her. Her friend's gorgeous doctor, Burke, insisted that he was her mate. Pip didn't have a mate, nor did she want one. The chore of breathing in and out was hard enough. But when she saw Burke's nephew, Shane, sitting all alone, she reached out to him, and they formed an instant bond. She was fae and told the boy if he ever needed her, all he needed to do was call out and she'd be there. When the unthinkable happens, and Shane and his brother Walter are targeted by a madman, can Pip reach his side fast enough? Is she strong enough to save them both? The Bentleys must band together like never before to protect their young and pray that it's enough....
