## Claims, Defenses, and Strategies in Legal Malpractice Cases B. Casey Yim

*Claims, Defenses, and Strategies in Legal Malpractice Cases* is an essential guide for the litigator, experienced or novice, who sets out to take on legal malpractice cases, either for plaintiffs or defendants. It contains a wealth of information and legal sources of substantive law, procedure, and strategy to use in just about any given legal malpractice case setting. It covers virtually all significant topics in the area of legal malpractice trials essential to both sides of the bar. This book also includes appendices filled with useful tried and proven jury instructions, trial briefs and forms of successful motions, and authorities to support them. It is a valuable research tool for attorney-defendants, law firm administrators, LPL insurers, and their claims professionals. This book further provides novel and cutting edge tactics and strategies to effectively minimize risk and loss, and to control defense costs and legal fees, while still bringing about successful results for the insured defendant attorney and law firm.
