Born in 1924 in a small rural village in South India, Nitya Chaitanya Yati was destined to embrace, embody and illumine a vast world of human aspiration and attainment. In his role as teacher, Nitya inspired students throughout the world. As a friend, he consoled and guided. Through moving and often humorous stories and anecdotes Love and Blessings presents a first person account of this fascinating and eventful life. Woven into the dramatic tale are his unique perceptions into human interactions and his profound understanding of spiritual and religious traditions. In its final section the book incorporates excerpts of Guru Nitya's letters responding to friends and students around the world. To every question he brings a fresh, provocative insight. The questions and problems addressed cover such diverse topics as romantic intimacy, individual creativity, class and gender conflict, personal economics and ultimately the nature and attainment of lasting happiness.
