Lauren thought she'd ruined her marriage after admitting a hotwife fantasy to her husband, Andre. But she's about to find out that some fantasies—and best friends— are worth sharing.

Lauren's had one fantasy since college: to experience an erotic night with her husband's best friend, Stephen. As if that isn't shameful enough, she wants her husband to watch. So when Andre mentions a dream where he shared her with Stephen, she comes clean, risking their young marriage in the process.

Andre always knew his wife was a temptress, but never dreamed he could share her with the one man he trusts most in the world. Now that he knows, he wastes no time in setting into motion a night they'll never forget, testing the bonds of friendship and love, to fulfill his wife's ultimate fantasy.

One body part at a time.
