Spartan Love (Gay Historical Romance MM) (Gay Ancient Greek Book 1) Leo David

Spartan Love, Part 1

With no women around, all young men in ancient Sparta had to rely on each other in *all facets* of life during their journey to becoming **Spartan warriors**.

Young Alexander was going to learn to adjust to military life, even if his fellow student, Cyrus had to drag him, kicking and screaming.

Alexander didn't care to develop an *advanced* friendship with Cyrus, who was always teasing him and beating him relentlessly in the wrestling pits. Cyrus secretly had other plans.

Cyrus was a leader, tough, smart, and strong, and he took it as a challenge to get the object of his affection, Alexander, to return some attention, and eventually get him to share the same feelings.

Would Cyrus's teasing go too far? Would Alexander snap and fight back? Would their tough teacher Draco **spank** him for punishment in front of everybody?

5,100 words, Gay romance set in the Ancient Greek Period.
