The Concise Oxford Dictionary of English Etymology

The Concise Oxford Dictionary of English Etymology

Did you know:

--that the word *nice* meant foolish or stupid in the thirteenth century?

--that *deer* once referred to any animal?

--that *cumberbund*, *pundit* and *bungalow*, all relics of the Indian raj, have been in use in English since the 1600's?

--that such words as *sandwich*, *boycott* and *malapropism* take their names from people, both real and fictional?

--that *sombrero*, which comes to us from Spanish, originally meant an Oriental umbrella?

These are but a few of the thousands of fascinating tidbits to be found in *The Concise Oxford Dictionary of Etymology*. Here the reader will find a clear and brief account of the origins, history, and sense-development of a major part of the modern English vocabulary, including both basic words and a wide selection of derivative forms.

Begun under the supervision of the late G.W.S. Friedrichsen, this valuable reference book benefits from his many years of experience as an etymologist for the Oxford dictionaries.

About the Author:

T.F. Hoad is a Fellow of St. Peter's College Oxford.

From reader reviews:

Carla Smith:

The book The Concise Oxford Dictionary of English Etymology can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book The Concise Oxford Dictionary of English Etymology? A few of you have a different opinion about e-book. But one aim that will book can give many data for us. It is absolutely right. Right now, try to closer with the book. Knowledge or info that you take for that, you can give for each other; you can share all of these. Book The Concise Oxford Dictionary of English Etymology has simple shape however, you know: it has great and big function for you. You can seem the enormous world by wide open and read a book. So it is very wonderful.

Kathryn Mullins:

As people who live in the modest era should be change about what going on or facts even knowledge to make them keep up with the era and that is always change and progress. Some of you maybe can update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know which one you should start with. This The Concise Oxford Dictionary of English Etymology is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Claudia Kelley:

Nowadays reading books be than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with education books but if you want really feel happy read one along with theme for entertaining including comic or novel. Often the The Concise Oxford Dictionary of English Etymology is kind of guide which is giving the reader erratic experience.

Yolanda Matlock:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider any time those information which is from the former life are hard to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take The Concise Oxford Dictionary of English Etymology as the daily resource information.
