A Real Cowboy Knows How to Kiss (Wyoming Rebels) Stephanie Rowe

New York Times bestselling author Stephanie Rowe returns to Rogue Valley, Wyoming, where a missed opportunity for love a decade ago is given a second chance.

It's been four years since Steen Stockton has been able to see the sky without having to look through steel bars. Betrayal got him locked up, and it shut down his heart forever...until he runs into the only woman he's ever trusted, a woman he's never even spoken to...until now.

There's only one person who has ever looked at Erin Chambers as if she mattered, a man she's never forgotten. She's come back to Rogue Valley to reclaim herself, not to get involved with a man...especially not the sensual, guarded cowboy Steen has become.

Can two people with no ability to trust use a magical, unspoken connection from their past to rebuild their hearts, or will the scars of a lifetime of broken dreams and betrayal keep them from finding each other the second time around?
