A Very Nice Glass of Wine Helen McGinn

In this lighthearted guided journal, *Daily Mail* wine columnist Helen McGinn simplifies wine education for amateur wine drinkers who want to know more about wine and are looking for a fun, easy way to learn. Fifty-two weeks of intuitive fill-ins become a self-taught course in wine-tasting, gleaned from evaluating one new wine each week, combined with McGinn's streamlined explanations of key wine knowhow (what distinguishes common wine styles, how to read wine labels, what wine terminology really means, and more). Users end up with a working knowledge of wine, an understanding of which wines they enjoy and why, the confidence to shop for wine, and a lasting record of all the new wines they've tried over the year.
