This one-of-a-kind guide offers easy-to-understand explanations, advice, and management options for patients or parents of patients with cystic fibrosis. The book explains the disease process, outlines the fundamentals of diagnosing and screening, and addresses the challenges of treatment for those living with CF. As one reviewer said, this book “is the only complete answer book for everyone living with the disease. It is an indispensable resource for families of children with CF, adolescent and adult patients, and physicians, nurses, respiratory therapists, and social workers involved in the care of CF patients.”
