Dominant Blonde, The Alisa Kwitney

Blond and a size ten for the first time in her life, Lydia may actually have gotten this love thing *right* this time. Or not. After a run of bad career and dating decisions, Lydia Gold is ready for a vacation from her life. So what if the Caribbean resort's a little shabby and the boyfriend's not the lover of her dreams. This time around, Lydia's experiencing what it's like to have someone madly in love with *her*.

But when Abe doesn't return from a scuba dive, Lydia discovers some decidedly unsavory facts. Abe has embezzled three million dollars of her family's money. And he may not be as dead as she's beginning to wish he were.

Lydia's best chance for finding her missing boyfriend is Liam MacNally, a rugged, sexy former NYPD search and rescue diver and reluctant romantic. Liam wants nothing more than to sit on the beach with a Hemingway novel in one hand and a beer in the other.

But sometimes it takes a little danger to bring you to your senses....
