International adoptions have steadily increased over the past decade, yet there is a surprising lack of resources to introduce the beauty of adoption to children. Adopted children want to know their story. Siblings want to know what to expect. Parents want to know how to convey the deep love they feel. *Mommy's Heart Went POP!* is a children's book that brings the beauty of international adoption to the entire family through a simple story of love for a child. It includes rich illustrations depicting a universal journey and resources for families exploring their own adoption journey.
