An odd title for a book perhaps? But where the author, Christopher Trevor is concerned, what is not add? "Owned Men" in this case, in this collection of short stories, refers more to men being dominated, having their straight-forward lives suddenly take a winding and unexpected turn. Men being owned by others is what fills these steamy pages. The book opens with a well-dressed handsome young man on his way to be the best man at a friend's wedding, a recurring theme, weddings, as we will see as time goes on with Christopher Trevor and what he writes about. And while prepared to be the best man at his friend's wedding, the best man becomes an owned man when he is ambushed by a group of lust hungry young man who call themselves "The Fetish Faggots."
