Self-determined Jessica Brewster is wary of any emotional relationship, after being betrayed in a bet. When the beloved grandmother who raised her dies, she inherits a mysterious teacup which when rubbed transports her back to 1886 in Old Fort Laramie, switching places with her look-alike great-great-grandmother—wife to her ancestor’s magnetic first husband and mother to his charming nine-year-old daughter. Can she pull off the charade and find a way back, or will conscience and her twenty-first century “slips” expose her identity? As true love—and a gypsy—derail her plans, her ancestor’s brother shows up with his own dark secret. Is her future in the past? Her decision could save her life...and her legacy.
