**A young journalist. An alien sex club. A Krinar who won't take no for an answer.**

Amy Myers is tired of writing fluff. She wants to work on serious assignments—and what better way to prove herself than to uncover something new about the mysterious Krinar, the aliens who took over the Earth just two years earlier? But when she meets Vair, the dark and sexy owner of a Manhattan x-club, she may get more than she bargained for...

*The X-Club* is a novelette/short story of approximately 10,000 words (56 print pages), set in the world of the Krinar Chronicles about three years before Mia & Korum's trilogy. It's an erotic story, not a romance. It can be read as a standalone or after the Krinar Chronicles trilogy.
