These pieces have withstood the test of time and remain important in the repertoire of the developing pianist. It is in this spirit that the present transcriptions are offered to the music community. Transcribed for the beginning and intermediate guitarist, these 24 pieces are intended for use in developing essential techniques and musical sensitivity. Derived from a first edition piano score published in Moscow, the author has transposed keys, changed octaves or thinned textures when necessary to create a set of miniatures that lie well on the guitar fretboard. Written in notation and tablature. Free audio files available.
