Late Mattia PASCAL

Luigi; Weaver, Wil;iam (translator) Pirandello

Late Mattia PASCAL Luigi; Weaver, Wil;iam (translator) Pirandello

(From the back cover) "Constructed on two levels-introspective commentary mirrors a fascinating adventure story-The Late Mattia Pascal is one of the great novels of modern times, related in its approach to Proust as well as to Voltaire's Candide...The book's charm lies in its imagery and flow of language, its value in the interplay between illusion and reality...It is time that the novel should be rediscovered in America, for Pirandello is not only a great dramatist, but also a short-story writer and novelist of first magnitude." ~Saul Colin in the Saturday review --- "Ideality and reality, the illusory and the real, man's freedom and man's limitations are skillfully and movingly probed evident in this translation. The seriousness of his subject is the bitter kernel of his satiric laugh. Despite the profundity of its philosophic implications, the book can be read for narrative enjoyment alone. Novels more than half a century old do not always stand up in the light of a more sophisticated age. This is not he case with THE LATE MATTIA PASCAL. ~ Nicholas J. Loprete, Jr., in Best Sellers --
