### **~~Detachable~~**

Tom Samson is a mid-level manager at one of the hottest online-dating companies around. He's vying for a promotion and he looks like he might get it, but there is only one that can get in the way: his insatiable sexual appetite.

Tom is constantly plagued by his wild imagination at work and the presence of his young, buxom coworker Tammy doesn't exactly help him focus. To alleviate his burning sexual appetite, he tries oriental massages and frequents the red-light district, but it never seems to be enough.

That is, until he finds Sam, the fembot engineered to satisfy his every sexual desire. Tom unleashes his sexual energy without reservation, dominating and using his new toy in ways not possible with a human woman, including mind-boggling flexibility and detachable body parts.

But Tom's problems are not over, however, when a mysterious third party seems to be putting a wedge between him and his new robotic lover.

Will Tom Samson ever find romantic and sexual satisfaction? Find out in *Detachable Robot: A Mind-Bending Sexual Experience*, the latest novel from Madison Black!

### **~~My Secret Fembot~~**

Stan Jeffries has it all. He's an incredibly wealthy and successful astrophysicist with beautiful daughter and a gorgeous wife. There's only one problem: his wife never puts out.

Ever since the birth of their first child, Stan's wife Jane has neglected his sexual desires. Driven to desperation, he decides to take matters into his own hands and buy a fembot, a robot designed to satisfy any man's sexual appetite. If his wife ever found out, it could lead to divorce, and in the year 2046, divorce is penalized by DEATH.

Stan is left with only one option: keep his guilty pleasure a SECRET.

"Thank you." the fembot replied. Her voice was sweet and clear. Stan had the strangest desire to hear her sing.

"What's your name?"

"I am called Melony."

Stan drew closer. "Can I touch you?" he asked.
