Why Should He Love You?: When You Don't Love Yourself? Mr. Quintin White Jr.

A refreshing, new approach on the qualifications of dating, monogamy, and the entire romantic spectrum.

Why Should He Love You? places the onus for the failures and successes of all relationships on the woman, and does away with the age-old rhetoric about all females being queens and deserving to be loved. It asks us to be honest with ourselves and our self-images: Am I worth being loved? Do I love myself? This book, and this author, make it plainly clear it is much better to be told the truth and hurt, than lied to and strengthened.
