*She can whip up something sweet...*

Allie LeClair has finally returned to the sultry city of New Orleans. After ten years of studying and working as a pastry chef in San Francisco and all over Europe—and feeding her submissive side at BDSM clubs—Allie is home, and she has something to prove to the man who once fueled her desires. She's not a child anymore.

*But with two in the kitchen...*

When security specialist Mick Reid hears that Allie is back in town, he knows he won't be able to stay away for long. Ever since he discovered his darker side, Mick has tried to protect Allie from the aggressive beast within him—but that power and wildness is exactly what she wants.

*Can they take the heat?*

Allie has made the first move, but now it's up to Mick. The game has begun, and playing has never been so rough.
