The Chosen Ones Eduardo Rodriguez

At the start of the twenty-second century, the earth has become an uncivilized place, where the devil rules and corruption and debauchery are commonplace among the majority of humans. But not everyone has given in to evil. Twenty-year-old Princess Anakia is the chosen leader of a group called the White Angels and of a new planet called Aashirya. God has given her powers in order to save those on earth who still follow the ways of the Bible—a mission she shares with her family. Through her sister Berry, Anakia learns of the return of demons among humanity, an event that will place all believers on earth in peril. Now the White Angels must face the demons in battle with the help of a group of divinely chosen teenagers—each bearing a powerful ring designed to help them face the present evil threat. But soon they learn of yet another child blessed with the power of God—at only eight years old. Will this girl fight with them, or will she side with demons and the devil? Only time will tell. In this novel, a group of chosen warriors with the power of God face off against an army of demons working on earth to serve the devil.
