Our newly updated B.J. Summers' Guide to Coca-Cola will prove that lightning can and does strike twice in the same location. This new encyclopedia of Coca-Cola collectibles will disappear from the book shelves faster than a cold Coke on a hot summer day. It has new chapters that deal with Coca-Cola club collectibles, as well as hundreds of new photos, and of course more snippets of information distributed at key locations throughout the book. It remains the easiest value guide to use on the market for both beginning and advanced collectors. All prices are keyed so the source of each price is quickly determined, allowing the reader to become an informed collector. Many collectible markets have fallen over the years but the Coke market is still holding strong. Another 'must have' for the beginning and advanced collector from expert author B.J. Summers.
