**Catching Lucy (The Lucy & Harris Novella Series Book 1) (Volume 1)** Terri Anne Browning

From USA Today's bestselling author Terri Anne Browning's "The Rocker..." comes a New Adult series, "The Lucy & Harris Novella Series".

Lucy

So yeah, my dad is a rock star; he's the drummer for Demon's Wings. Big whoop. Honestly, the fame that comes with having a famous dad is not all that you think it might be. It sucks. You have no privacy. Oh yeah, and don't let me forget about the lunatics that want to do who knows what to you just to get famous. When I leave the house every morning I feel like my life isn't my own. Between the paparazzi, the fans, my bodyguard, and everything else I feel like I'm part of the freak show in the circus most days.

It wasn't always like this, though. I didn't always feel like this. Once upon a time I had a best friend who helped me deal with this life that we both belonged to.

Harris

So yeah, my dad is a rock star; he's the drummer for OtherWorld. And Lucy was and always will be the only girl to ever know the real me. She was my best friend, my voice of reason. My SANITY. Maybe she outgrew me. But I will never outgrow her. It's been years since I've seen her, and I miss her so damn bad. All I want is a chance to get back what we've lost, to have my best friend in my life again.

I wasn't counting on how grown up my friend might have gotten, how beautiful she is now. The more time I spend with this new Lucy, I have to wonder if I really want that old friendship back...or if I want much, much more.
