La Santa Alianza: Cinco Anos de Espionaje Vaticano (Spanish Edition) Eric Frattini

Desde 1566, año de la fundación del servicio de espionaje papal, hasta nuestros días, La Santa Alianza y su contra-espionaje, el Sodalitium Pianun, han asesinado a reyes, políticos y financieros como Enrique IV de Francia o Roberto Calvi; se han visto involucrados en revueltas y revoluciones; han financiado a dictadores y apoyado golpes de Estado; han creado sociedades secretas para cometer asesinatos selectivos; han traficado con armas; han apoyado a dos bandos en conflicto; han ayudado a escapar a criminales de guerra nazis; y han provocado quiebras bancarias y financieras, todo ello en el nombre de Dios y de la fe católica por mandato del Sumo Pontífice.

Desde Pío V a Juan Pablo II, este libro relata cinco siglos de operaciones encubiertas del servicio de espionaje pontificio. Un documentado y sorprendente ensayo que desvela información inédita que sin duda despertará el interés del lector.
