The Adventures of Tremain and Christopher: The Missing Yesterdays Terry Marchion

On the colony planet New Earth, Christopher loves spending time with a quirky, absent-minded scientist, his uncle Tremain, who has invented a matter transmitter. When Christopher unwittingly activates it, they start a chain reaction that erases their entire colony's past. Now they have no choice but to use the same transmitter to travel back in time to fix what happened and restore the colony before they too fade away.
