The Ghoul Vendetta (A SPI Files Novel) Lisa Shearin

***Men in Black* meets Janet Evanovich's Stephanie Plum in the fourth urban fantasy novel in the series starring seer Makenna Fraser and her fellow agents at Supernatural Protection & Investigation.**

The agents of Supernatural Protection & Investigations (SPI) are paid to keep the peace. But that's not so easy when an endless evil threatens to tear that peace to pieces...

A vampire gangster's nephew is abducted off his yacht by a bunch of low-rent Creatures from the Black Lagoon. A slew of banks are knocked over by what looks like the cast of *Night of the Living Dead*. All of this may seem like the movies, but, I promise you, it's not.

I'm Makenna Fraser, seer for SPI, and I know the culprits aren't wearing disguises or makeup. They're real. Deadly real. Especially their leader—an ancient shapeshifter who leaves a trail of chaos and blood in his wake. Now, he's taken my partner, Ian—and his intentions aren't pretty.

The worst part? This is only the beginning...

The beginning of the end of the human race.
