Cracking Thai Fundamentals: A Thai Operating System for your Mind

Stuart Jay Raj

Cracking Thai Fundamentals: A Thai Operating System for your Mind Stuart Jay Raj
Stuart Jay Raj has developed a suite of hand and body signs, glyphs, colourful stories and exercises that will help learners of Thai lay down a new linguistic and cultural operating system for their mind and body. Rather than awkwardly superimpose a new language over the top of the pre-existing non-Thai sound and meaning system of your mother tongue, Cracking Thai Fundamentals will teach you to think about language, culture and meanings, produce meanings, speak, read and react in Thai in a way that much more resembles the way Thais think about and produce their language themselves.
