Upon its release over twenty years ago, Dream West was deemed a classic novel of the American West by both critics and the reading public. Telling the amazing true story of America's famed explorer, John Charles Fremont, and his beloved supporter and muse, Jessie Benton, it quickly found its way onto the New York Times bestsellers list and adapted into a CBS mini-series starring Richard Chamberlain. Now available for the first time ever in trade paperback, Nevin's epic of adventure and discovery will once again give readers a chance to witness the passion of an early explorers dreams of the great unknown, and the love and perserverance that saw his dream come to life.
