Memories: A TV Journey Freddie Downs

If you're a fan of television, *TV: A Century of Memories*, will take you back to the days when television was young. If you remember test patterns and Kate Smith beginning the day with "God Bless America," then you were there for those early days. You witnessed television's growth from the time of three networks and live broadcasts to today's cable and satellite TV. Read about those days and how television grew to become a world-wide entertainment titan. Follow its the growth and learn about the people and programs that were the foundation of television today. If you like television, you will love this book
