**Finds from the Frontier: Material Culture in the 4th-5th Centuries (CBA Research Report)** Rob Collins, Lindsay Allason-Jones

Finds from the Frontier brings together papers given at a conference held at Newcastle upon Tyne in 2008. Its aim is to elucidate the life of the 4th-century limitanei of Britain through their material culture. The papers consider whether the excavated artefacts justify the traditional implication that the period is one of declining standards and largely come to the conclusion that, on the contrary, the period was rich in artefacts that have much to tell us about the late frontier.
