Can you fall in love with someone who kidnaps you, throws you in a trunk, and holds you captive at a mountain lodge?

Introducing book one of a romantic and sexy shifter comedy series....

Dalton Brown is an alpha werewolf with a disappearing pack. His lack of a mate, and his sometimes un-alpha like behavior has driven all but three of his pack mates away.

Times are desperate, and he decides to follow a lead into the Shenandoah Valley. There might be an available she wolf working at a popular lodge there.

Dalton finds the she wolf but isn't able to talk to her before he makes the rash decision to take matters into his own hands. The result is a catastrophe that is as comical as it is tragic; and things only go downhill from there....
