## **Waking Up Dead: A Mystery** Nigel Williams

Retired bank manager George Pearmain is, apparently, dead. According to the behavior of everyone around him, it would seem that he is no more. Not only that, but his mother has also passed away too - and on the eve of her 99th year, poor dear. Not only *that*, it could be that they were both murdered.

He feels fine otherwise.

As George's family gather for the birthday-celebration-that-never-was, he hovers around the house, watching and listening, entirely unseen. As a result, he makes all sorts of discoveries about himself, his wife Esmeralda, and his supposedly happy family . . .

One of internationally bestselling author Nigel Williams' best books to date, *Waking Up Dead* is both a screamingly funny cozy mystery and startlingly strange ghost story asking the question: What would you do if you could bear witness to your own demise?
