## **101 Ways You Can Help Save the Planet Before You're 12!** Joanne O'Sullivan

It's easy being green! Kids have enormous potential to affect change, and this enlightening book harnesses children's natural energy, enthusiasm, optimism, and drive to make a difference in the world. Young eco-activists will feel empowered as they begin doing simple things such as cutting down on water use, starting a compost bin, and creating litter-free lunches. From these activities will grow even greater sensitivity to how they, their families, schools, and neighbors can have a positive impact on our planet. A list of websites encourages further exploration.

### ***Kids will learn how they can:***

- Become an eco-expert by figuring out how they want to save the planet
- Have green holidays
- Work with their families to create fun eco-trips or even "stay-cations"
- Green their school supplies, pets, and even their school
- Become an advocate for the environment in their community
- Help their parents make gardening a real green experience
