The breath-taking continuation of the *New York Times* and *USA Today* bestselling series.

"Sometimes, letting someone go is the ultimate act of love."

Claire Nixon is a college student with a past full of secrets and heartbreak. She was saved once by her first love, and rock star, Chris Knight. But when she encouraged Chris to leave town to pursue his dreams, both Claire and Chris didn't realize it would be the biggest mistake of their lives.

After a devastating year apart and thousands of miles of distance between them, Claire met sexy surfer Adam Parker. With his awful jokes and profound patience, he helped Claire pick up the shattered pieces of her broken heart for the second time.

But now Chris has returned and he is willing and determined to make Claire's dreams come true—the same way she did for him when she let him go.

With Adam's former girlfriend in the picture, Claire finds herself torn between the new, passionate love she shares with Adam and the love and family she shares with Chris.
