Everything Takes Time Time is a luxury that we think we don't have Time is an entity that we always surpass It'll be your friend once you comprehend it is always on your side Once everything disappears in your life, then all you have is time Time to reflect on all the things that have gone by Time to realize the love that burns inside Time to appreciate the clouds in the sky Most of all it's time to dry those tears from your eyes Because everything takes time The only way to heal the pain that lies so deep Is to take the time to listen to your mind and know you're not in defeat Everyone's on the go but no one knows their final destination Take control over your soul with great determination Remember throughout life that everything takes time 02/18/2001 by Alicia Polston (now Mrs. Alicia Shipe)
