Coloring has become popular among many adults. Many use coloring as a way to lessen stress, calm anxieties and pass the time. Many people want to be able to take a small coloring book with them when they leave the house. Look no further! This is a 5" x 8" version of my original Flowers and Foliage Grayscale Coloring Book. It contains the same beautiful pictures scaled down to fit in a book that you can keep in your purse or bag so that you can color whenever you have the opportunity! Coloring is a great way to relax and grayscale coloring is no exception. This book contains 35 high quality, original, detailed grayscale photographs of flowers and leaves waiting for your creativity and imagination! The pictures are highly detailed and printed on single sided pages. They can be colored with pencils, ink, chalk, markers, gel pens... Whatever you choose! Just be sure to place a blotter page between the pages to protect the other pictures from any bleed through. Don't be intimidated by grayscale! Just follow the shading and highlights of the photograph and your end results will surprise you!
