Royal Tea (The Chronicles of Kerrigan) (Volume 4) W.J. May

The Queen of England has requested the help of the Privy Council. Someone is trying to kill her son's fiance. The HRH Prince plans to marry a commoner, and his bride has a secret no one knows but the Privy Council. She has a tatù. When the Privy Council turns to Rae for help, she can't possibly say no; not even when they make Devon her partner for this assignment. They are to pose as a couple and work undercover, as bodyguards, to protect the soon to be Princess of Wales. Rae would rather be anywhere but with Devon, especially since she believes her mother to be alive, despite the Privy Council's assurances to the contrary. The question is, how can Rae find proof of life for her mother, come to terms with her feelings for Devon, and manage to save the Princess, all while dressed for tea? When the enigma, the secrets and the skeletons in the closet begin to be exposed, can Rae handle the truth?
