The Do-Over

Kathleen Ossip

The Do-Over Kathleen Ossip

A much anticipated third collection with poems mourning a mother figure, as well as recently deceased cultural icons.

Praise for Kathleen Ossip:

“Ossip conjures delightful and unexpected muses...shrewd and ambitious.”

—*New York Times Book Review*

"*The Do-Over*, Ossip's third collection, is a lyrical, open-ended, meta-leaning meditation on the subject of death...[A]n exquisite cocktail of displacement, minutiae, and metapoetic introspection."

—*Boston Review*

“The biggest surprise in poetry for 2011 is this second book by Kathleen Ossip. It's got everything one could wish for in a new collection of poems. . . . It's just beautiful. And terrifying.”

—*Publishers Weekly*, Best Books of 2011

“The poet has an uncanny ability to convey what it actually feels like to be alive today...Ossip is one of our foremost ethnographers of contemporary unreality.”

—*The Believer*

“How do you stay in heaven?” Ossip asks, “Is it a kind of sophisticated rewind?” Her third collection of poems is haunted by the idea of ‘rewind,’ and especially by the teasing possibility that we, too—like the moon, like a plant—may be granted cycles of life, death, and rebirth. The book's overarching narrative is the death of the poet's stepmother-in-law, a cherished, loving, eccentric woman who returns to its pages again and again. But in spite of its focused grief and ontological urgency, *The Do-Over* is a varied collection—short acrostics mourn recently dead cultural icons (Amy Winehouse, Steve Jobs, Donna Summer); there's an ode to an anonymous Chinese factory worker, three “true stories” that read like anecdotes told over drinks, and more. *The Do-Over* is an unsentimental elegy to a mother figure, a fragmented portrait of its difficult, much loved subject. It's also a snapshot of our death-obsessed, death-denying cultural moment, which in Ossip's gifted hands turns out to be tremulous, skeptical, unsure of ultimate values and, increasingly, driven to find them. “I am still studying, aren't you?” she begins. Readers will eagerly embrace the surprise, humor, and seriousness of her quest.

From reader reviews:

Cory Kyle:

Here thing why this particular The Do-Over are different and reputable to be yours. First of all reading through a book is good nevertheless it depends in the content of the usb ports which is the content is as yummy as food or not. The Do-Over giving you information deeper as different ways, you can find any reserve out there but there is no e-book that similar with The Do-Over. It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is probably can be happened around you. It is easy to bring everywhere like in park, café, or even in your means home by train. Should you be having difficulties in bringing the imprinted book maybe the form of The Do-Over in e-book can be your substitute.

Susan Gagnon:

The reserve untitled The Do-Over is the publication that recommended to you to see. You can see the quality of the book content that will be shown to you actually. The language that writer use to explained their ideas are easily to understand. The article author was did a lot of research when write the book, and so the information that they share to your account is absolutely accurate. You also will get the e-book of The Do-Over from the publisher to make you considerably more enjoy free time.

Jeffrey Ramsey:

This The Do-Over is great reserve for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having The Do-Over in your hand like obtaining the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world with ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?

Amy Osburn:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book was rare? Why so many issue for the book? But virtually any people feel that they enjoy regarding reading. Some people likes studying, not only science book but novel and The Do-Over or even others sources were given know-how for you. After you know how the great a book, you feel need to read more and more. Science e-book was created for teacher or students especially. Those books are helping them to bring their knowledge. In different case, beside science reserve, any other book likes The Do-Over to make your spare time a lot more colorful. Many types of book like here.
