## **The Lord's Dominion: The History of Canadian Methodism (Mcgill-Queen's Studies in the History of Religion) Neil Semple**

Semple covers virtually every aspect of Canadian Methodism. He examines early nineteenth-century efforts to evangelize pioneer British North America and the revivalistic activities so important to the mid-nineteenth-century years. He documents Methodists' missionary work both overseas and in Canada among aboriginal peoples and immigrants. He analyses the Methodist contribution to Canadian education and the leadership the church provided for the expansion of the role of women in society. He also assesses the spiritual and social dimensions of evangelical religion in the personal lives of Methodists, addressing such social issues as prohibition, prostitution, the importance of the family, and changing attitudes toward children in Methodist doctrine and Canada in general. Semple argues that Methodism evolved into the most Canadian of all the churches, helping to break down the geographic, political, economic, ethnic, and social divisions that confounded national unity. Although the Methodist Church did not achieve the universality it aspired to, he concludes that it succeeded in defining the religious, political, and social agenda for the Protestant component of Canada, providing a powerful legacy of service to humanity and to God.
