The hit BBC series is back! Big Finish bring immortal Time Agent Captain Jack Harkness and colleagues back to audio life for a fresh series of six new audio dramas...London, England, the 1890s. Queen Victoria, ruler of Great Britain and Ireland and Empress of India, has arrived for her annual inspection of the Torchwood Institute. This year, everyone is quite determined, nothing will go wrong. Several minutes later a terrible creature is unleashed on the streets of London. No one knows where it comes from, what it is, or even why it's on Earth. It's ruthless, has no morals, and is quite unstoppable. Captain Jack Harkness is on the loose, and Queen Victoria is along for the ride of her life. The huge, and long-running public interest in new Torchwood adventures resulted in a server melt-down when its return on audio was announced by star John Barrowman on his Sunday night radio slot. John Barrowman, Eve Myles, Kai Owen and Gareth David-Lloyd reprise the characters who starred in four years of hit Doctor Who spin-off Torchwood, screened around the world. This is the first of six further releases in this range - this second series was greenlit even as the later releases of the popular series one were being recorded. Guest Louise Jameson is best known for playing the Fourth Doctor's companion Leela in Doctor Who. CAST: John Barrowman (Captain Jack Harkness), Rowena Cooper (Queen Victoria), with Youssef Kerkour, Louise Jameson and Aaron Neil.
