Wilderness of Mirrors Linda Davies

She was the wild card in a game of international intrigue... Four years after battling the drugs that nearly destroyed her, Eva Cunningham is ready for vengeance. She's rising from the dead to return to the game. Under deep cover for the Secret Intelligence Service, she's using a diamond mine in Vietnam-and herself-as bait to entrap Robie Frazer, a ruthless international entrepreneur suspected of assisting China's illegal trade in nuclear weapons. Camouflaged by wealth and respectability, Frazer is the drug lord whose narcotics enslaved Eva even as she infiltrated his vast Asian empire. Now she's willing to pay any price to destroy him. Even if it means sleeping with the enemy... Eva, gorgeous, confident, and ruthless, challenges Frazer to invest in diamonds-and her. But shaken by the torrent of passions he unleashes, she's driven to even greater risks as she walks the thin line between desire and deception, one step away from discovery-and certain death... -CRITICAL ACCLAIM FOR LINDA DAVIES AND HER NOVELS- "Enough action, financial know-how and international hokey-pokey to satisfy any reader ... we get an idea of the coolness, daring and imagination that go into successful high-voltage trading involving hundreds of millions." —The New York Times "Linda Davies pops her debut thriller into the microwave and brings it to a near-instant boil.... THIS BOOK'S A CLASS ACT." —Glamour "Davies, herself a former merchant banker, does a terrific job of explaining the inner workings of foreign-exchange markets and of creating a sense of the supercharged atmosphere in which the traders do their deals." —People "A STYLISH AND VERY CONTEMPORARY British thriller about international finance.... This first novel by young, gorgeous, etc., former banker Linda Davies feels about as real as a James Bond movie, but it satisfies in exactly the same flashy, fast-moving way." —Mademoiselle "UTTERLY FASCINATING when it deals with the giddy, high-risk manipulations of foreign-exchange traders. —Entertainment Weekly "PULSE-PUSHING YARN ... Davies lobs a female dynamo into the mostly male bastions of international finance and the government agencies that stalk those who prey on the markets.... Her writing style is mellifluous, her understanding of high-stakes currency trading authoritative yet unobtrusive, and her action scenes snap—making this A FINANCIAL THRILLER WITH BULL, NOT BEAR, WRITTEN ALL OVER IT." —Publishers Weekly "Davies captures the lure of the [foreign-exchange] game ... LOOK FOR THIS ONE TO BE BIG." —USA Today "THIS GRIPPING READ reveals a flashy merchant class and a moral void—akin to an upholstered pit in a gambling casino ... the game of fast-track money deals is as much an aphrodisiac as power and forbidden sex in this financial thriller." —Kirkus Reviews

From reader reviews:

Melissa Hopkins:

As people who live in the modest era should be change about what going on or facts even knowledge to make these people keep up with the era that is always change and progress. Some of you maybe can update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Wilderness of Mirrors is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Lula Barnes:

Reading a guide can be one of a lot of exercise that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new details. When you read a publication you will get new information because book is one of many ways to share the information or perhaps their idea. Second, studying a book will make an individual more imaginative. When you examining a book especially hype book the author will bring one to imagine the story how the character types do it anything. Third, it is possible to share your knowledge to other folks. When you read this Wilderness of Mirrors, you are able to tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a e-book.

Julie Harris:

This Wilderness of Mirrors is fresh way for you who has attention to look for some information given it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Wilderness of Mirrors can be the light food for you personally because the information inside this specific book is easy to get through anyone. These books acquire itself in the form and that is reachable by anyone, yeah I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this reserve is the answer. So there is not any in reading a e-book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss this! Just read this e-book sort for your better life in addition to knowledge.

Scott Duran:

As we know that book is significant thing to add our information for everything. By a e-book we can know everything we really wish for. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This guide Wilderness of Mirrors was filled regarding science. Spend your time to add your knowledge about your scientific research competence. Some people has different feel when they reading the book. If you know how big benefit of a book, you can feel enjoy to read a reserve. In the modern era like at this point, many ways to get book you wanted.
