A novel about Dr. Sebastian Camote, a renowned psychiatrist who believed that he was once Don Quixote in a previous lifetime, *11 The Secret Code* is a story of his journey after his death when his soul travels to the afterlife. There, Dr. Camote discovers the secrets of numerology, karma, and eternal life. This book combines elements of fact about the power of number 11, while creating a parallel reality where the past, the present, and the future exist at the same time.

This is an essential book for anyone who wants to grow spiritually and to learn about past lives or future lives. The story of Dr Camote is fascinating. and more today that we are celebrating the 400 anniversary of the death of Cervantes. Don Quixote is back to life. He reincarnates in the body of the Dr Sebastian Stain Camote, a Miami psychiatrist. The book introduces us into the world of numerology and was originally published in 2004, and makes incredible predictions about the future. The authors did not change any of the original predictions of the book leaving to the reader the opportunity to compare them with the reality that we have experienced over the last 11 years. Why is number 11 in such an important number? The authors explain through the number that Jesus what the Messiah. A fiction novel that uses real facts to make us understand the unlimited possibilities that we posses but that we don't use. Reality or fiction? The reader will be the final judge. Koko's oracles are connected to your energy and when you open the book searching for one, you find the answer that you need in order to help you to understand the problems that you are experiencing in that precise moment. In summary, an extraordinary book ready to be discovered.
