*Yes. I was a soccer mom, lying to her friends about what she was doing. A soccer mom sneaking away between drop-offs and pick-ups and not paying attention to her kids or her friends, so that I could sneak into my husband's office and find porn on the internet.*

*Porn with big, black...*

Annie and Dave. An ordinary marriage that has gotten dull. But now Annie's made a discovery that will change their marriage completely. This story alternates between the voices of Annie and Dave as they take their marriage to the next level, and seek out a **big, black stud** to take Annie **hard and unprotected, while her husband watches**. Their marriage will never be the same...but will it be better? This story is 12,000 words and **for adults only**.

*She was nervous. She had a high, nervous energy about her, I could tell. But she was going through with it, and she was doing it for me. She would ask me later, and she had asked me a million times already, if I was sure that I wanted her to do this. Now, as I watched her take out the room key, and twist it in her fingers, I knew we were going to both get what we wanted. The rest...well, we would have to have trust each other.*
