Helping Your Child Succeed in Fourth Grade: A Parent's Guide to the Common Core

Schools across America are rolling out new, more rigorous curricula in order to meet the demands created by a new set of English and Mathematics standards – known nationally as the Common Core State Learning Standards, or Common Core. You can expect to see a number of changes in your child's fourth grade class based on the requirements of the Common Core standards.

In an effort to address Common Core Reading requirements, students will now read more Informational Texts in their English/Language Arts assignments. This type of passage provides facts and often deals with current events, science, and social studies. In addition, questions posed about these readings will ask students to find evidence and use it to formulate an argument. In order to master new Common Core Language Arts and Literacy standards, students will need a larger and stronger vocabulary to allow them to both tackle complex readings and write acceptable arguments.

To address Common Core Math requirements, students will spend more time developing their understanding of specific and important math concepts. Students will be expected to both demonstrate understanding of each topic and apply their mathematical skills to real-world situations.

As a parent, it is important not only to understand the new Common Core 4th grade standards, but also to have the tools to help your child do his or her best in school. This Common Core workbook book is designed to provide you with the guidance and resources to support classroom learning and help your child succeed. It includes:

- An annotated review of the standards highlighting what your child should master during fourth grade
- 20 important lessons that you can do – together with your child – to support them as they progress through the school year
- A Vocabulary section designed to make sure your child masters the most important academic words
- 200+ practice questions to improve your child's skills
- Diagnostic quiz and 20+ mini-quizzes to check for understanding

From reader reviews:

Bernard Martin:

Why? Because this Parent's Guide to the Common Core: 4th Grade is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will jolt you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

Joseph Woodruff:

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are receiving problem with the book compared to can satisfy your small amount of time to read it because pretty much everything time you only find guide that need more time to be examine. Parent's Guide to the Common Core: 4th Grade can be your answer because it can be read by an individual who have those short spare time problems.

Kevin Loesch:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many issue for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book but novel and Parent's Guide to the Common Core: 4th Grade or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science publication was created for teacher or students especially. Those ebooks are helping them to add their knowledge. In various other case, beside science guide, any other book likes Parent's Guide to the Common Core: 4th Grade to make your spare time a lot more colorful. Many types of book like this.

Kent Ibarra:

Guide is one of source of understanding. We can add our understanding from it. Not only for students but native or citizen have to have book to know the update information of year in order to year. As we know those textbooks have many advantages. Beside most of us add our knowledge, can also bring us to around the world. From the book Parent's Guide to the Common Core: 4th Grade we can take more advantage. Don't you to be creative people? To get creative person must want to read a book. Only choose the best book that acceptable with your aim. Don't be doubt to change your life with this book Parent's Guide to the Common Core: 4th Grade. You can more inviting than now.
