New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world.

Trisha Grove enjoyed her job as a pilot for Boswell International but realizes something is still missing from her life - her family. She is ready to call it quits and head back home to Wyoming where her father lives. She never expected her last flight for Boswell would end with an unplanned trip out of this world. Trisha isn't sure at first what is real and what isn't; all she knows is she is determined to get back to her dad no matter what it takes.

Kelan Reykill is the fourth son in the royal line of Valdier. Commander of the V'ager, one of the largest Valdier warships, he prides himself on his strict self-discipline, his ability to remain in command in any situation, and his skill at handling any challenge. That is, until he meets a stubborn human female from the primitive planet his older brother sought refuge on. Now, all he can think about is how to get the female into his bed and under his control while staying in one piece.

When she is taken from him, Kelan will track Trisha to the ends of the universe and further because he knows one thing - she is his true mate and he will do anything; kill anyone, who tries to harm her.
