After my sister's death, I thought I wanted to watch the world burn. Turns out, I needed Avery Tanner to set my heart on fire.

When Kelly was murdered, my whole world collapsed. Nothing seemed to have any meaning anymore. Nothing except for **fire**.

That's how I became a firebug. And that's how I met fireman Avery Tanner, the incredibly sexy man who tried so hard to put out my blaze.

But all he did was fan the flames of a deeper, **darker** desire still lurking inside of me. And when my fantasy of being caught by the heroic **fireman** became a reality, I realized I wasn't the only one.

More than that, we both were keeping secrets. And his was bigger, and more terrifying, than I could have ever imagined. **Avery Tanner is a werebear!**

The only thing that will put our souls to rest is each other. And once I have Avery **inside me**, I'm never letting go.
