Let your colored pencil caress the hard muscular bodies of these handsome Fantasy Boyfriends. As your pencil starts to color the little hearts on his boxers you swear he's started to blush. You linger a little on other parts of his body with your pencil while sneaking furtive glances at your bedroom door - poke, poke, poke - you don't want to get caught at what you're doing. Maybe if you're lucky, he'll leap off the page and keep you company. Stress? Loneliness? What were those again? Poke. Author's Note: This book contains 12 coloring pages. There are 6 Fantasy Boyfriends that you get to strip and color. The back of each coloring page is a blank page to prevent bleed-through for those using markers. Enjoy!
