Something about the boss

That handsome masked stranger Katie Ledbetter got very, very close to after the costume party? Yeah, that would be her boss, Nolan Murphy. Super-embarrassing, but par for the course in her ill-fated quest for love. That's when she comes to a decision to give up the romance rat race and have a child on her own.

When Nolan catches wind of her quest, the sexy single dad suggests she test out if she wants to be a parent by watching his teens while he's away. Then he comes back—and suggests she stay. Could this be the instant family Katie's been looking for? Could she be fated to be a bride for her boss after all?
