Historical Thanksgiving Cookery is chock full of delightfully delicious ideas favored by many famous families of yesteryear. It contains the prized recipes for those Thanksgiving dishes served and eaten by some of the heroes of the Revolutionary War. You will be able to fix and then eat the same things served to those great men who so bravely signed the Declaration of Independence. You will be able to enjoy sharing an identical Thanksgiving meal with those who wore both the blue and the gray during the War Between the States, or as some unreconstructed Southerners still refer to it, the War of Northern Aggression.

Yes, every recipe found in this unique book was a popular favorite throughout the Thanksgiving holidays in our nation's long and colorful history. Many were coveted within a particular family and handed down from generation to generation. Others are historical gems, for they were the inventions of, or the favorites of, some notable family or individual from the past. Here they are being presented, for the first time, for America's families of today to have the fun and experience the thrill of cooking and baking. And lastly, to thankfully pass a blessing over before eating - be it for breakfast, lunch or dinner - on Thanksgiving Day.
