When you're looking for a little escape to the rugged mountain landscape that's as beautiful as it is wild, unwind at Castle Mountain Lodge.

Eva Andrews would do anything for her best friend Andi, especially if it means dropping everything to plan a last minute wedding at Castle Mountain Lodge.

But planning the perfect wedding isn't proving to be easy, especially when Jeff Michaels, the rugged and all too good-looking ranch hand, is determined to get in her way.

Despite the fact that Jeff knows how to push all of Eva's buttons, there's an attraction between them that can't be denied. But Eva's sworn off men and even if she did allow herself to act on the feelings that keep growing stronger, there's the small matter of her 'fake date' in the way.

Castle Mountain is known for bringing couples together, but can Eva and Jeff get out of their own way long enough to see what they could have—together?
