The Flaw Peter Jenkins

Warning: Darcy is the antagonist in this novella, so this is not your typical love story.

Elizabeth is spending the season with her aunt and uncle in a desperate attempt to find a proper suitor. She has the clock ticking before her father's inevitable death and the turnover of her families estate to her cross cousin. She fears for her younger sisters well being, who will be tossed out at their cousin's earliest convenience.

Darcy is in town to inquire some prospective land as a favor to his beloved younger sister. It doesn't hurt that the land is also the most fertile in the region. Darcy is set solely on the business at hand. He wants to get in and out of London before the inevitable swoon of young ladies and their berating mothers come down on him.

Elizabeth and Darcy meet and find that both of their problems can be solved with a simple marriage proposal. Happy blissful marriage slowly melts into the trails of daily life. As more and more struggles are heaped upon their relationship, both are desperately grasping at their own means of finding a solution.
